Broad Breasted White Barn Reared & Bronze Free-Range turkeys

This year our turkeys are from Caldecott Farms. Using traditional methods, Caldecott have become an award-winning poultry producer rearing both High Welfare Barn Reared White Turkeys and Free-Range Bronze. They are all slow grown to provide maximum flavour and are available as crowns.

Rare breed gammons

Outdoor reared, rare breed hams, dry cured using a lightly sweet cure and sold off the bone, rolled and ready for cooking.

•

Beef

From our own cross bred cattle, which have been grass fed and allowed to slowly reach maturity. Ribs of beef, sirloin and fillet will have been dry aged for at least 21 days. Ribs will be sold trimmed and chined for fabulous flavour and presentation combined with easy carving.

•

All the trimmings – all made on site, using the best quality ingredients.

Bread sauce, made using our own bread

Cranberry sauce from fresh cranberries

Pigs in blankets – Our own half-length chipolatas wrapped in dry cured streaky bacon

Pork, sage and onion stuffing

•

Christmas pudding

A traditional Christmas pudding, made to a traditional recipe, ready for reheating on the day.
